SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2009-2010 school year at Hanahan Middle School was an excellent year, full of schoolwide achievements and accomplishments. As always, learning remains our top priority, as reflected in our PASS scores. Hanahan Middle School is a National Blue Ribbon Lighthouse School and 2010 Palmetto Gold School. HMS successfully completed the third-year implementation of Making Middle Grades Work (MMGW). Making Middle Grades Work is a district-wide initiative that provides a comprehensive improvement framework focusing on ten key practices. The Books Rock Café and the Big Kuhuna, an end-of-the-year celebration, continue to be successful reading incentives for our students. As a result of these incentives, the number of students meeting their yearly Accelerated Reader goal surpassed gains experienced in previous years. As always, HMS continues to stress academic excellence as we "Soar to Success."

Our students' academic and extracurricular achievements continue to be among the best in the state. 125 HMS students took at least one of four high school credit courses: English 1, Spanish 1, Algebra 1, and Keyboarding. HMS is proud of our 19 National Junior scholars and 9 Duke Tip Scholars; 41 All County, 16 All Region, and 1 State Band winners; 100% student participation in school Service Learning projects; second place in "Group Performance" at the Junior Beta State Convention; first place in the Kids Who Care project; state finalist team in Mock Trial; 14 students in All-County Chorus and 1 National ACDA Chorus recipient. In addition, the HMS band was awarded the Outstanding Performance Award State Band Directors' (OPA) for the twenty-fifth time; our ECO Challenge team won first place in regional (\$10,000 award) and national competitions (\$15,000 award); and we received National recognition for our Pre-Engineering program from Project Lead the Way. The HMS faculty and staff continue to work closely with the community, parents, and businesses to provide students with every opportunity to learn and to succeed.

Humanities Academy with Leadership Opportunities (HALO) was piloted in all EAGLE classes, providing a curriculum connection between Language Arts, Social Studies, and the Arts. HMS stresses reading and writing across the curriculum, with monthly bulletin boards, a Principal's Pick display, the Writing Stick competition among grade levels, and faculty writings. The ASSIST computer lab provided content recovery to over 100 students. SPAWAR continues their services through the Lunch Buddy mentoring program, which has grown to over 100 participants. Measures of Academic Progress (MAP) test scores were used to form RIT Band classes that met for 40 minutes weekly to address specific needs in Math and ELA.

Danielle Reyna, a special education teacher, was honored as the 2009-2010 HMS Teacher of the Year. We currently have nine National Board Certified teachers, with Karen Stasio being our newest recipient. We currently have three more teachers applying for National Board certification, further validating that excellence and dedication continue to be the standard at HMS.
